

Tournament Format

In the qualifying round of team tournament, the participating teams are divided into four groups. At each group, complete round robin movement will be used. Players will play 12 board per each round and total 9 rounds will be played. The top 2 teams in each group, total 8 teams, will be qualified into the quarter-final(KO) of 24 boards in 2 round. The winner of quarter final will be qualified into the semi-final(KO) of 24 boards in 2 round. The final(KO) will be 32 boards in 2 round.

The winner of each group can appoint their opponent at quarter-final among 5th ~ 8th teams, based on victory points. Then 1st runner appoints their opponents, then 2nd runner appoints their opponent. In qualifying stage, WBF continuous 20 VP scale will be used and IMP scoring will be used in quarter-final, semi-final and final stage.
